DAN McNEIL DIES VISITING SAN DIEGO

Chief of Police Jack Grant received a telegram last night apprising him of the death of Dan H. McNeill, formerly of Tonopah, who had been sick for some time. The deceased was a miner by occupation, but was appointed to the police force when Jack Grant took hold. Soon after he was compelled to resign owing to ill health and decided to test the climate of San Diego, where he lingered only a short time after arriving. Deceased left a widow and three children of whom Mrs. McNeill and Dan, the younger son, 18 years of age, were at the bedside when dissolution came. The eldest child, who formerly taught school in Tonopah, is now Mrs. Sidney Foster and lives in Omaha. The eldest son, Leo, aged 25, is with the colors in France. At one time Mr. McNeill served as deputy county clerk. He was a most lovable character and made friends of every man with whom he was brought in contact. Deceased was a charter member of the Tonopah lodge of Elks. The burial will take place in the southern city. Mrs. McNeill was with her husband at the time of death.

MARRIED IN SAN FRANCISCO

Paul Wiesse, the grocer, was married yesterday in San Francisco to Mrs. Thomas D. Murphy, widow of the founder of Goldfield, who died last winter after a long illness in Tonopah. The affair was quietly arranged and the first intimation was in the shape of a wire from the bridegroom.

Paris—Five American portable laundries have been installed at base hospitals by the American Red Cross. They are a real novelty in France.

BRITISH CAPTAIN TO LECTURE HERE

Capt. W. Kilroy Harris, well-known Australian journalist and author, who is making a lecture tour of this country, will speak in Tonopah at the Airdome next Friday evening on an itinerary arranged by the State Council of Defense.

Captain Harris bears the distinction of being one of three British army officers who have received the Distinguished Service Order and three of the military crosses of Great Britain. The official count of the award of the first bar to the military cross which was earned at Gavelle, near Arras, is as follows:

"For conspicuous gallantry during operations. Owing to the enemy's wire being very thick the situation during an advance became critical and heavy casualties were occurring to his company. With great bravery he kept cheering his men on, and when through the wire he organized bombing parties to protect flanks. His conduct throughout was magnificent."

NINE RECRUITS GO TO TUCSON, ARIZ.

Larry Glass, secretary of the Nye county exemption board, was treated to a surprise this morning when he received a notice from the adjutant general calling for nine men to go into training at the University of Arizona, at Tucson. The circular reads as follows:

CALL NO. 723
Chairman of Nye County Exemption Board.

(a) The following telegram from the provost marshal general has just been received and is hereby published for the information and guidance of all concerned:

1. Call No. 723 upon your state is hereby announced as follows: "Complete the enrollment for Tucson, Arizona, of 103 grammar school graduates who have had some experience along technical lines and some aptitude for mechanical work, to report to the commanding officer, University of Arizona, on July 1, 1918, for instructions as to auto mechanics, blacksmiths, carpenters, concrete workers, electricians, machinists, and wireless operators." Only white men and men physically qualified for general military service are to be inducted under this call.

2. Men selected for this service will receive a course of teaching at government expense, fitting them to service in army positions both at the front and behind the lines. Men taking this course will receive thorough instruction which will be of great personal value in working their way ahead both in the army and civil life. The men will be assigned during the course to that kind of mechanical training for which greatest need exists at the time of call. At the end of the course they will be assigned to various branches of the service in accordance with the needs of the army. They are to receive no assurance of an assignment to any particular branch of the service. This is an exceptional opportunity for energetic, ambitious men. You are urged to make this call one of state-wide interest. Qualified registrants should be urged to present themselves to their local board for voluntary induction. When registrants voluntarily present themselves, local boards may induct qualified men until their allotment has been filled. The voluntary period will continue until June 21st. After June 21st no volunteers will be accepted. If on June 22nd, a sufficient number of volunteers have not come forth to fill the allotment of the local board, the local board will proceed to select in sequence of order number a sufficient number of qualified men from within class 1 to fill its allotment, deducting the voluntary inductions. Only men who have completed at least a grammar school education and have had some experience along mechanical lines and some aptitude for mechanical work should be inducted.

3. Each man must carry with him at least two suits of underclothing, one suit of outer-clothing in good condition, a sweater, a stout pair of shoes, three extra pairs of socks, and two bath towels, as he will be kept in civilian clothing during the first three weeks until he can be supplied with a uniform and other clothing.

4. The number of men called for under this call must be actually entrained.

5. Men must not be allowed to arrive in Tucson before the date specified, and the entire party must be entrained so as to arrive on that date.

(b) Under this call, No. 723, your board will be required to entrain nine men. Definite orders for entrainment will be issued to you as soon as the specific dates are determined upon.

What the girls of this country want is fewer marriageless engagements.

WHAT'S WHAT

(By L. L. Muehett)

Vol. 1. Tonopah, June 19, 1918. No. 63

The following has just been received from state director for vocational education, Leslie E. Bingham:

Re-Radio Buzzer Operator Class

Admit the following:

1. Persons over 18 years of age who may later become liable to military duty.

2. Conscripted men subject to draft control regardless of their draft classification.

This gives us the authority we have long been seeking, i. e., to admit all those eligible for military service to radio classes.

The number of operators needed in the army and navy far exceeds the number industry can spare. To meet this deficit we must train and keep on training and this is no less imperative than the support of the Liberty loan and Red Cross drives.

I, therefore, urge that war training committees avail themselves of this new ruling to increase the enrollment of radio classes in every way possible. (Sig.)

Starting our class has been delayed on account of the non-arrival of equipment, but the first class will start early next week.

Owing to a number of the men enrolled having been called by the last draft call we will be able to enroll a few more students for the first class. Applications should be filed at once and will be instructed in the order filed.

PENNIES COUNT UP FOR BELGIAN BABIES

The first weeks test of the milk bottles for the babies of Belgium resulted in turning over to the committee \$40.20, most of which was in pennies, as urged by the promoters of the fund, who see the possibilities of raising an enormous amount each week without inflicting a hardship on any one. The bottles were in charge of Miss Alice Dumont, Miss Blanche Robb and C. E. Waldner.

The bottles will remain as a fixed institution as another one of the numerous war activities of Tonopah and a report of collections will be made each week.

MILLERS COUPLE MARRIED

Rev. H. L. Grafton last evening was called on to marry Miss Irene Smith McKelvey and C. F. Carpenter, both of Millers. The ceremony occurred at the home of Walter Booth and the young couple left for Goldfield after the words were pronounced that made them man and wife. They will live in Millers.

DEVELOPMENT AT IMLAY

W. E. Regan, of the Imlay mine in the Humboldt range, states there are about 30 men at work at present at the property, but that the force would be increased to 100 as soon as the men could be procured.

DISSOLUTION NOTICE

Notice is hereby given that the firm of Hickernell, White & Bilyeu, conducting the Mizpah Hotel, Tonopah, was by mutual consent dissolved on Saturday, June 15, 1918. Charles Bilyeu retiring from the firm. All bills due the late firm are payable to Hickernell & White, and all bills owed by the late firm will be paid by Hickernell & White.

Dated: Tonopah, June 18, 1918.

TRANSCRIPT OF THE WEST END DECISION

(Continued from Page One.)

within the claim in the sense of the statute.

"The contention is not that the top or apex of this vein has been found elsewhere, but only that what is found in the West End claim is not such in the sense of the statute. The law, as has been truly said, assumes that the lode has a top, or apex, and provides for the acquisition of title by location upon this apex. Probably this assumption could not be indulged where the fact appeared to be otherwise, but it serves to show that the absence of a top or apex ought not to be adjudged in the presence of such a finding as we have here."

The judgment was affirmed. The finding is almost identical in spirit and wording to the decision rendered by Judge Averill, in the case, which was carried to both the state and the United States supreme courts.

RECRUITS CALLED TO GO WEDNESDAY

Next Wednesday morning twenty-six young men from this county whose names appear in the original registration will entrain from several points for Camp Lewis. The names and places of residence of the men called are as follows: John A. Scurluck, Seth W. Upright, Antonio Callapetro, Bonney Richard, Harold N. Hanson, Herbert Treverton, and Nick Rados, of Tonopah; Ross A. Parker, Eureka; Angelo R. Dell, Manhattan; Lanny G. Hale, Heskill, Tenn.; William Martin, San Francisco; Stancko Cook, Calexico, Cal.; Charles O. Shellman, Reno; Valerio Rossi, Thompson; Vernal T. Ruppe, Preston; Frank Rogers, Manhattan; Nick V. D. Broek, Santa Ana, Cal.; Roy G. Simmons, Cissno, Ill.; W. A. Meyer, Montrose, Colo.; A. R. Zabella, Point Richmond, Cal.; Mitar Milatovich, Gebo, Wyo.; Edward Burke, Twin Falls, Idaho; Joe Golobic, San Francisco; William H. Dodson, Exeter, Cal.; Edward L. Furst, Spokane, Wash.; Charles G. Adams, Pasadena, Cal. and Harry Shellmer, Kimberly, Nev.

SPARKS LANDMARK DESTROYED

A 3:30 morning blaze in Sparks Monday completely destroyed the Europa hotel, one of the city's landmarks, and for a time threatened with destruction many surrounding structures. The damage will amount to \$10,000. Many of the roomers in the hotel lost all they owned, but no one was injured. The building was owned by M. Gardella and was one of the oldest in Sparks.

SHIPPED TO THE COAST

The remains of the late Frank Favier, assistant secretary of the Goldfield Consolidated Mines company, were shipped this morning to the coast. The body was accompanied by the widow who reached Goldfield last evening on the delayed train.

\$4 FOR HARVESTERS

Inyo county farmers are writing here seeking field hands to help in the harvest which promises to be one of the most bountiful in history. The ranchers are offering \$3 a day and board for men at this class of work. Eight hours to constitute a day's work.

CATTLE DYING IN CLARK CO.

Cattle in Clark county are dying from a contagious disease which is spreading rapidly. A government veterinarian has been sent to make an investigation.

FUSION AGREEMENT

(Continued from Page One.)

fect of dictating the partisan candidates for office, nor whom shall be or shall not be candidates for public office.

It is believed that the foregoing plan will further commend itself to the public generally for the reason that it avoids the expense and the partisan feeling that are incident to a campaign conducted upon the usual partisan lines. Avoidance of such expense and of such partisan feeling in the present posture of national affairs is desired.

PAT MOONEY,

Chairman of Democratic Central Committee of Nye County.

H. R. GRIER,
Chairman of Republican Central Committee of Nye County.

AMUSEMENTS

MABEL NORMAND IS HERE

The appearance of Mabel Normand as star of the new patriotic comedy drama, "Joan of Plattsburg," by Porter Emerson, constitutes an event of more than usual interest. In each of her successes the star has displayed an entirely different phase of "the new Mabel Normand," at the same time retaining all her old fascination and charm. As Joan, the little orphan in "Joan of Plattsburg," she is given every opportunity to demonstrate her remarkable acting ability. The play affords Miss Normand the most interesting and worth while opportunity of her singularly successful career. The combination of this star and a play by an author who is known as one of the most successful dramatists in America, should prove the biggest attraction in the photograph world. A capital class of players appear in Miss Normand's support in this production, and a staff of technical experts has provided a scenic mounting in complete keeping with the high characters of the work throughout. A big note of patriotism runs through the story. The situations are replete with wholesome humor and a remarkable degree of human interest, while Miss Normand is given full scope for her peculiar acting talents. Also Hearst-Pathe News and it is a good one. Come see the welcome reception the Americans received in England.

DIES IN WINNEMUCCA

Mrs. Bedora F. Younkin died Saturday after an illness of several weeks. Her age was 36 years, 10 months and 10 days. She was born in California, but was raised in this state, making her home in the Quinn River Crossing section in the northwestern part of the county for 31 years. She is survived by her husband, C. W. Younkin, and her son, Chusky, besides her mother, nine brothers and one sister—Humboldt Star.

STREET BEGGING FOR POLITICAL CAMPAIGN

An agent of the Prohibition party is circulating through the camp and on the streets importuning citizens for funds to conduct the campaign of that party. This should not be permitted. There is an ordinance against begging and the terms apply with as much force to the Democrats and Republicans as it does to the Prohibition party. The latter is a political organization and should be compelled to raise its campaign funds in the same way as other parties or at least the members should not be allowed to canvass on the streets for money to aid their cause. All outside street soliciting should be stopped and the Nye County Council of Defense should at once put the stamp of disapproval on all street begging.

CALIFORNIA GRIZZLIES

ARE NOT TENDERFEET

(By Associated Press.)
CAMP KEARNEY, June 19.—One of the causes which was ascribed the absence of sore feet among the soldiers of the 144th field artillery (California Grizzlies) on their recent field march was a daily inspection of feet.

Each battery commander was required to inspect the feet of all his men each day. Those whose feet showed signs of chafing or the beginning of a blister were ordered to the hospital for attention.

THIRTEEN HOURS LATE

Train No. 24, due yesterday morning at 6 o'clock, did not arrive until last evening at 7 o'clock. The train had been in hard luck all day since leaving San Francisco, having run into a couple of wrecked trains west of the Summit, making the departure from Reno four hours late.
